

REMARKS

The title has been amended to be in conformance with the translation of the International Application.

The specification has been amended in accordance with 37 CFR §1.78 to make reference to the International Application from which this application originates and to incorporate by reference the Japanese priority application.

Claims 2-4 have been added to further claim what the applicants regard as the invention. New claims are fully supported by the original claims and the specification. No new matter has been added.

Please examine the application in view of the amendment set forth above.
